ARMY DEPARTMENT

MEDICAL DEPARTMENT.

St. George, the 24 September 1911.

No. 497.—In pursuance of the rules contained in Army Department Notification No. 34, dated the 24th January 1911, the following regulations for the grant of study leave to officers of the Indian Medical Service are published for information:—

Regulations regarding the grant of study leave to officers of the Indian Medical Service.

1. Leave for study for the purpose of study may be granted to officers of the Indian Medical Service on the recommendation of the Director-General, Indian Medical Service.

2. The period of such study leave will be calculated in the case of an officer taking study leave while under Military Leave Rules as the rate of leave specified, and in the case of an officer taking study leave while under Civil Leave Rules as the rate of leave specified of the same service as qualified for his furlough under articles 263 and 265 of the Civil Service Regulations, up to a total of any rate of 25 months in all during an officer's career.

3. Study leave may be taken at any time, but will not be granted more than twice in the course of an officer's career. The maximum number of such leave will not be granted during the period of study leave.

4. The minimum period of study leave which will render an officer eligible for study leave shall be ten months.

5. The minimum period of leave granted solely as study leave shall be six months. Time spent on the journey to and from India, by an officer whose study leave is not combined with any other kind of leave, will not be counted as study leave, but the officer may be granted during the period of study leave. An officer whose study leave is combined with any other kind of leave will, however, be required to take his period of study leave at such a time as to allow, at his convenience, a balance of other previously mentioned leave sufficient to cover his return journey to India.

Where an officer has been granted a definite period of study leave and finds that amount is insufficient, the period of study will fall short of the minimum period of study leave unless he produces the sanction of the authorities in India to his taking it as ordinary furlough.

6. Study leave can be combined with any other kind of leave, provided the period assigned to study leave is not less than two months and, in the case of leave on medical certificate, provided that the Medical Board at the India Office certifies that the officer is fit to study. In the case, however, of officers, military establishment, study leave cannot be taken in combination of the medical privilege leave and furlough admissible under the service of Indian Army Order No. 66 of 1904, if the total period would exceed eight months, but study leave may be so taken provided such leave is for not less than two months and the total period of combined privilege leave, furlough and study leave does not exceed eight months. This limitation in eight months does not, however, apply in the case of study leave combined with privilege leave alone. The total period of absence from duty in India, in the case of officers under the leave rules of 1904 for the Indian Army, will be strictly limited to two years.

7. Except as provided in rule 8, all applications for study leave shall be submitted, with the sanction of the Director-General, Indian Medical Service, through the prescribed channels, and the terms or periods of study contemplated and any conditions the authorities propose to attach shall be clearly specified therein.

8. Officers on furlough who wish to have part of their furlough converted into study leave should address the Under Secretary of State, India Office, and should forward a statement showing how it is proposed to spend the study leave. Similarly, officers on furlough at other Home who desire to have leave converted for purposes of study should address the Under Secretary of State, but in addition to the statement of the proposed study they must also submit their applications with documentary evidence of their having obtained the approval of the authorities concerned in India to their applying for an extension of leave.

9. An officer who is at home on combined leave may be permitted to commence a course of study before the end of his privilege leave, and to draw for each period the lodging allowance admissible under rule 14, without forfeiting his privilege leave otherwise during such period. For all purposes of account and subsequent calculation of leave, the full amount of study leave taken shall be such leave as is permitted as if it constituted the end of the privilege leave.

10. For the purpose of study, lodging allowance at the rate of 2s. a day for a field officer, 1s. 6d. for a Captain, and 1s. for a Lieutenant, will be granted on the production of the certificate required by rule 15. It is to be understood that an officer is entitled to the grant of study leave or for the receipt of lodging allowance, a definite course of study is a recognized institution, which will occupy the time of the officer for five or six days a week, such as the purchase of his allowance will not be admissible as an officer who returns from the service without returning to duty in India after a period of study leave. Lodging allowance will be admissible up to 14 days for any period of residence.

11. The rate of pay admissible during study leave is as follows:—

A. To an officer taking study leave while under Military Leave Rules: the rate of furlough pay admissible to his rank when on leave.

B. To an officer taking study leave while under Civil Leave Rules: the rate prescribed in article 214 of the Civil Service Regulations for an officer on ordinary furlough, subject to the limits laid down in article 264 (a).

12. On completion of a course of study a certificate as the proper form (which may be obtained from the India Office), together with any certificates of special study should be forwarded to the Under Secretary of State, India Office, who will arrange for the transmission of copies of the documents to the Director-General, Indian Medical Service. The Under Secretary of State will also report separately in terms to the President of the Medical Board, India Office, on the completion of their course of study.

19. Juries shall not sit in session for prisoners and persons, but except so far as it may be taken down privilege leave (see rule 25), it will not attend for further or any other leave. It will not affect any leave which is already due to an officer; and will not be taken into account in reckoning the aggregate amount of further leave by an officer towards the maximum period of six years allowed in rule article 246 of the Civil Service Regulations.

A. O. CARDEW,  
A. J. Chief Secretary.

Oatamund, September 18, 1912.

No. 287.—In exercise of the powers conferred by section 5 of the Opium Act (I of 1878), and with the previous sanction of the Governor-General in Council, the Governor of Fort St. George in Council is pleased to direct that the following amendments shall be made in the rules under the said Act published with his notification No. 464, dated 22nd October 1904, as amended by notifications Nos. 471, dated 19th November 1906, 628, dated 22nd November 1910, 42, dated 30th January 1911, and addenda, dated 5th March 1911, 197, dated 27th March 1911, 335, dated 1st June 1912, and 289, dated 2nd August 1912:—

(1) *Substitute the following for the second sentence of rule 1 (7):—*

“The maximum limit of sale will be—

(a) 100 grains of morphia or preparations thereof and such quantities of opium or preparations thereof as may be declared by the Surgeon-General with the Government of Madras to be equivalent thereto, in the case of persons so authorised medical practitioners residing in the Madras Presidency or in adjoining Native States and to such persons in Native States as may be specially authorised or permitted by competent authority to hold quantities exceeding the retail limit; and

(b) 500 grains in the case of persons so recognised medical institutions in the Madras Presidency and in adjoining Native States and to licensed druggists in those States.

“The Board may, however, permit sales in excess of these limits in special cases.”

(2) *Insert the following as rule 1 (18):—*

“Authorized medical practitioners” means all graduates in medicine of a recognised University in India, Europe or America; all medical practitioners, including dentists eligible for registration on the medical register of Great Britain; and all holders of Military Assistant Surgeons, Civil Apothecaries or Sub-Assistant Surgeons's diplomas who are in Government, Local, Field, or Municipal service or have been declared to be authorised by order (1) of the Board of Governors in Madras, and (2) of the Collector, in consultation with the District Medical and Sanitary Officer in the sub-town.”

(3) *Insert the following as rule III (3):—*

“Any authorised medical practitioners may have in his possession, for use in the exercise of his profession but not for sale, any quantity of morphia or preparations thereof up to 100 grains or such quantities of opium and preparations thereof as may be declared by the Surgeon-General to be equivalent to 100 grains of morphia.”

(4) *Substitute the following for existing rule XV:—*

“The import of opium or intoxicating drugs other than those used for smoking is permitted:—

(a) in the case of imports by sea (i) by licensed shippers or druggists either direct or through their agents on payment of duty under the Indian Tariff Act, 1900 (VIII of 1904, as amended subsequently), at the port of importation, (ii) by or on behalf of the British provinces of Coorg and the Civil and Military stations, Bangalore, under the special orders of the Board to be obtained in such case and (iii) by or on behalf of British States under the special orders of the Resident or Political officer concerned to be obtained in such case; and

(b) in the case of other imports, under the special orders of the Board to be obtained in such case.

“Provided that this restriction shall not apply to the free import of opium from other provinces or from Native States in quantities not exceeding one tale by land for travellers for their personal consumption.

“Provided also that in exceptional cases and in cases where on account of the small quantity of opium or any article or for other reasons the Collector of Customs is of opinion that the article cannot be sold or as introduced, he may at his discretion admit import of such article on payment of the tariff rate of duty.

“Every consignments of the articles imported under this rule shall be transported under cover of the receipt granted on payment of the customs duty according to the special order of the Board of Revenue or the Resident or Political officer as the case may be.”

(5) *Substitute the following for rule XX (4):—*

“(a) The persons permitted to export the drugs to Native States or the British provinces of Coorg and the Civil and Military stations, Bangalore.”

(6) *Substitute the following for rule XX (4):—*

“(4) To any authorised medical practitioner or any person authorised by the Collector with the sanction of the Board under rule VII to possess opium and intoxicating drugs in excess of the limits prescribed in rule III (1).

Oatamund, September 24, 1912.

#### PROFESSIONAL EXAMINATION.

*Continued, September 25, 1912.*

Mr. D. W. Gellan, Assistant Engineer, is declared to have passed on the 24th September 1912 the professional examination referred to in the enclosure to G.O. No. 898 W., dated 13th July 1911.

#### NOTIFICATION.

*Continued, September 7, 1912.*

#### RULES RELATING TO THE VERNACULAR EXAMINATIONS FOR PUBLIC WORKS DEPARTMENT OFFICERS.

I. (1) An Assistant Engineer is required to pass an examination in Tamil or Telugu within two years of joining his appointment in India, and the increments following thereafter shall be withheld until he has passed the examination.

(12) The following are the subjects of the examination:—

(a) Conversation—conversing with accuracy and fluency in the vernacular language.

(b) Dictation of an order connected with the Assistant Engineer's work.

(c) Reading printed matter or well written (not too difficult) notes in different handwritings connected with Public Works subjects with fluency and explaining them concisely in the vernacular language.

(13) The standard for the examination will be the same as for the oral examination of the higher standard test in the first language for Indian Civil Service officers.

(14) No an officer passing the above examination, the List will be notified in the Gazette and the letters E.S.T. or L.E.I. according to the language passed, will be placed against his name in the classified list.

(15) Notices of India are exempted from passing the above compulsory test in their respective vernacular when employed in a district in which their own vernacular is spoken. Otherwise, they will fall under the same rules as Europeans.

II. (1) An officer who has passed the examination prescribed in rule I is one of the languages, Tamil or Telugu, will be required to pass an examination in the other language within one year of passing his appointment in India. In the case also the increments falling due after that period will be withheld until the examination has been passed.

(2) The following are the subjects of the examination in the second language:—

(a) Conversation.

(b) Reading and writing.

(c) Explanation of maps.

(d) Dictation of simple orders.

(3) The standard for this examination will be the same as that provided for the examination in the second language for Indian Civil Service officers.

III. A pass in either of the two standards in Orissa or Malabar is optional.

IV. The principal of the examination in the first language is to test the proficiency for practical purposes of the Assistant Engineer in one of the two languages, Tamil or Telugu, selected for the examination. For this purpose at least three papers, which he has never seen before, taken from official records very much of varied and written by different persons in a plain meaning hand, must be read aloud by the Assistant Engineer and without difficulty; and after being read aloud, their contents must be correctly explained by him in English.

In the language selected for this examination the candidate must be able to dispose of vernacular correspondence connected with his work by extraneous orders. In testing the candidate's qualifications in this respect, vernacular manuscripts shall be given to him to read. These papers will be written in a vigorous style meaning hard and must be read by the candidate with fluency. The "orders" to be passed shall be dictated by the candidate and shall be written down by a native clerk shortly as directed.

The candidate shall then be tested in conversing with two or three natives in each language and to each extent as shall suffice to satisfy the examiners as to the degree of his power of understanding natives of the classes with whom the Assistant Engineer is likely to find himself called upon to converse in the ordinary course of his duties and of making himself understood by them, i.e., with conversation or colloquial conversation will be confined to the ordinary duties of the Assistant Engineer.

V. In the test for the second language, the candidate shall be required to possess a fair colloquial acquaintance with the language, to translate correctly an official paper read to him, to translate orders in the language and to read ordinary orders.

VI. (1) The Government will endeavour, so far as possible, to employ young Assistant Engineers on arrival in the country in such a manner as will afford them the opportunity of passing the actual entrance prescribed in rules I and II. Cases arise, however, when, owing to the exigencies of the public service, there, or want of time, an officer may not be able to pass the examination in question within the prescribed period. In such cases an officer will, on the direction of the Government, be afforded a reasonable extension of time up to a limit of one year; and if he passes within this further period, so possible will be allowed. Should, however, he fail to pass within the extended period, his increments will be withheld until such time as he does pass. The Government may, however, at its discretion, promote an officer whose increments have been withheld to the position in the permanent scale which he would otherwise have held. The officer will not be refunded the salary pay he has been owing to increments being withheld, but will be merely entitled to the pay he would have drawn but for his failure to pass the examination within the prescribed period.

(2) As it is considered desirable that all officers in the Madras Public Works Department should know both Tamil and Telugu, the Government will endeavour to transfer Assistant Engineers as soon as possible as they have passed in the first compulsory language to a district where the second is spoken so as to give them an opportunity of passing it early in their service.

(3) In the case of natives of India, the Government will arrange, so far as possible, to post them in the first instance in districts in which other than their own vernacular is spoken so as to enable them to pass the examination in that language at the beginning of their service.

VII. The examinations will regularly be conducted at Madras twice a year in January and July by the Board of Examiners, but a Public Works Department officer will be added to the Board in order that the examinations, whether oral or in the papers set, may be suited to the requirements of the department.

VIII. Rules II above regarding an examination to be passed in a second language will apply only to those officers who join the service hereafter.

As. Secy. to Govt., P. W. D. (General and Engineering).

## THE MADRAS VETERINARY COLLEGE PROSPECTUS.

As there appears reason to believe that intending candidates for employment in Government service are in many cases not aware of the existence of the Madras Veterinary College and of the prospects offered by a veterinary career, the following prospectus of the college is published for general information. The rules of the college and the scale of the provisions and the subordinate veterinary service are liable to be altered if need requires at any time.

1. The college affords theoretical and practical instruction in subjects appertaining to the veterinary profession with the object of training men for service under Government, Municipality, Local Board or private employers. The staff of the college consists of a Principal, an Assistant Principal, three lecturers and a subordinate establishment. The responsibility for the discipline and management of the college is vested in the Principal who is subject to the control of the Board of Directors. Full clinical and other facilities are afforded to meet the educational requirements of students preparing for the diploma in Veterinary Science. A Veterinary hospital, museum, library, shooting traps and students' hostel are attached to the college.

2. Candidates are eligible for admission without distinction of caste or nationality. They must not be under 18 years of age at the commencement of the term for which admission to the college is desired. Students are admitted to the college by selection which will be made by the Principal. Applications for admission should be made on writing in the prescribed form printed on the end, and they should be submitted to me to reach the Principal not later than the 31st December of each year and should be accompanied by the following certificates:—

(a) of age;

(b) of physical fitness and moral character;

(c) that the applicant has passed the Matriculation Examination of an Indian University, or that he has obtained 15 per cent. of marks in English and 10 per cent. in other subjects in the School Final Examination, except in the case of Europeans and Eurasians who may be admitted, though unpassed, at the discretion of the Principal.

3. In the event of a candidate being selected, he will be served with a special notice informing him of the particulars of the time and place at which he should present himself for personal selection. Candidates when admitted will be considered to be on probation for the first two months of the course and may be removed if found to be not satisfactory.

4. *Course and mode of instruction.*—The course of study for the diploma ordinarily extends over three years. The students of each year's course form a separate class. The number of students in each class is ordinarily limited to 25. Provision for one class is made with reference to the needs of the several institutions. A student who fails in the class examination for two consecutive years is liable to be removed from the college.

The curriculum of instruction is as follows:—

(a) First year:—

- (1) Anatomy (up to Arthrology).
- (2) Elementary Chemistry.
- (3) Elementary Botany.
- (4) Materia Medica.
- (5) Handling of animals.
- (6) Pharmacy (Theoretical and Practical).

During this year students are given practical instruction in sewing, drawing, knitting, mending and mending articles as well as in the use of the instruments and appliances used in military practice.

(4) *Second year—*

- (1) Anatomy (the whole including Comparative Anatomy).
- (2) Physiology.
- (3) Hygiene (including Dressing and Dressing).
- (4) Principles of Home nursing.
- (5) Theoretical Veterinary Medicine and Surgery.
- (6) General nursing and instructions in the use of instruments and appliances.

During this year students are required to attend hospital practice and receive clinical instruction. They are also required to attend at the Fort and Pharmacy, to carry out directions and to perform operations on the dead subject.

(5) *Third year—*

- (1) Equine Medicine and Surgery.
- (2) Bovine and Ovine Medicine and Surgery (including Obstetrics).
- (3) Diseases of Dogs.
- (4) Operations Surgery.
- (5) Therapeutics (including Technology).
- (6) Meat and milk inspection.
- (7) Breeds of horses and raising of domesticated animals.

During this year students are required to perform the duties of clinical clerks and dressings; to perform operations on dead subjects, and afterwards on living animals, to conduct post mortem examinations and generally to carry out practically all the duties pertaining to their profession.

Students who hold the diploma in Agriculture are not required to attend the first year's course of study, but are admitted to the subjects of both the first and second year courses at the end of their first year of attendance at the Veterinary College.

All students are required to undergo a course of equestrian and gymnastic. A student showing himself without leave from a lecture or from a practical, gymnastic or riding class is liable to be fined.

8. *Tuition fees and stipends.*—Tuition will be free for a fee of Rs. 2 per term or payable by such student to meet the cost of books. Government students shall be scholarship holders in each class at entry, two of the monthly value of Rs. 10 which will be assessed for graduates of a University, preferably those who have taken a Science degree and the remaining 10 scholarships each of the value of Rs. 10 per annum, but reserve the right to decrease the number in case shall value it necessary. Scholarships in the first year will be awarded by the Principal on the results of the first three monthly examinations. Scholarships towards the higher classes are conferred solely on the results of the monthly and several examinations. A student already in the enjoyment of a scholarship has a liability at a given period to not eligible to compete for a Government scholarship. All scholarships are conditional on the good behaviour of the holder. Students who are in the enjoyment of the Government scholarships are required to refund the amounts which they have received if they leave the college without sanction or are expelled for misconduct.

9. In consideration of the free tuition given at the college, graduates will be required to execute an agreement binding themselves to serve Government in the Civil Veterinary Department for at least five years if their services are required as long, and to refund to Government the total cost of their Veterinary education in case they are unwilling to serve Government as required.

10. *Term and leave.*—Each year comprises two terms—a spring session from January to March, and an autumn session from July to December. Tuition of the term and only one of lecture to which both lectures and students should adhere will be paid on the basis of the commencement of each term.

11. *Festivals and holidays.*—(i) In addition to the miscellaneous public holidays, the students are allowed the following vacations and holidays—

Midwinter vacation (three months).

Midsummer holidays (one week).

Christmas and Easter holidays (quarant).

Students are required to attend hospital duty on duty during vacations.

(ii) Leave of absence is granted by the Principal only. Scholarship-holders pay, at the discretion of the Principal, to granted casual leave, with allowance, for not more than five days at a time or less days in the year, but no casual leave will be granted in circumstances of other holidays with allowance. Any further leave to scholarship-holders except sick leave for a month will be subject to forfeiture of scholarship. Leave of absence in each year of absence will be recognized only on the production of a certificate from a duly qualified medical practitioner.

12. *Examinations.*—Examinations are conducted orally and are held annually in December in all the classes. For admission to the examination candidates must have cleared off the college fee each time as may be prescribed and have attended at least three-fourths of the year's lectures and have done practical work in their respective classes.

13. *Diploma and certificate.*—A diploma in Agriculture or graduates in Veterinary Science is awarded to students who have gone through the full course of three years' study at the college and have passed the final examination.

Each of the students as are elected clinical clerk and physician and perform their duties satisfactorily are, in addition, awarded special certificates on passing the final examination.

11. *Miscellaneous*.—The hostel attached to the college provides accommodation for twenty-three students. Students are at liberty to make their own arrangements as to their board and lodging. A monthly rent of Rs. 3 for a single room and Rs. 15 for a double room, *etc.*, a room accommodating two students will be charged from such student who elects to take up his lodging in the college hostel.

12. *Professors of subjects who pass out of the college*.—Graduates of the college are eligible for appointment to the following posts in the Veterinary and Industries Division of the Civil Veterinary Department in the Madras Presidency:—

Three Deputy Superintendents at Rs. 200 per mensem rising by annual increments of Rs. 25 to Rs. 225 per mensem.

Two Veterinary Inspectors (First Grade) at Rs. 180 per mensem rising by annual increments of Rs. 4 to Rs. 190 per mensem.

Nine Veterinary Inspectors (Second Grade) at Rs. 45 per mensem rising by annual increments of Rs. 5 to Rs. 100 per mensem.

Thirteen Veterinary Assistants (First Grade) at Rs. 75 per mensem rising by annual increments of Rs. 5 to Rs. 85 per mensem.

Twenty Veterinary Assistants (Second Grade) at Rs. 50 per mensem rising by annual increments of Rs. 5 to Rs. 75 per mensem.

Twenty-two Veterinary Assistants (Third Grade) at Rs. 30 per mensem rising by annual increments of Rs. 4 to Rs. 40 per mensem.

Veterinary Assistants when holding independent charge of hospitals and dispensaries whether maintained by Government or by Local Boards and Municipalities will be paid a local allowance of Rs. 10 per mensem each. While so employed, they will also be granted with free quarters or granted, in lieu thereof, a house-rent allowance not exceeding Rs. 2 per mensem.

All the above posts are pensionable. Veterinary graduates here, in addition, find prospects of employment as Municipal Cattle Inspectors and as Assistants in charge of Veterinary Dispensaries established by local bodies, private proprietors and Native States. It will be the duty of the Principal to render all reasonable assistance to passed students in securing suitable employment.

SUPPLEMENT TO PART II  
OF  
**THE FORT ST. GEORGE GAZETTE.**

No. 59.] MADRAS, TUESDAY EVENING, SEPTEMBER 24, 1912. [PART. 4 P.M.

**AUDIT REPORT OF THE MADRAS CITY CO-OPERATIVE BANK, LIMITED,  
No. 500, FOR THE YEAR 1911-1912.**

I beg to submit my audit report on the accounts of the urban bank styled the Madras City Co-operative Bank (Limited) for a period of 3 months from 1st April to 30th June 1912.

1. The bank started its operations on the 1st April 1912.

2. The bank has two kinds of shares, one of the value of Rs. 100 payable in ten equal instalments and another of the value of Rs. 25 also payable in ten equal instalments. There were on the 30th June 1,004 shares under both the plans of shares, 504 being of the first kind and the rest of the second kind. Two members who joined the institution considerably had to withdraw being public servants. Of these 7 shares of the first class and 80 shares of the second class have been fully paid.

3. *Share capital.*—The share capital received was Rs. 10,000 debiting Rs. 50 refunded in regard to the members who had to withdraw. There were 81 notes of one-hundred share capital under the 10 rupee shares and 14 notes of one-hundred share capital under the 25 rupee shares. The amount involved in the first item was Rs. 87 and that under the second was Rs. 175. The directors were able only to recover them. I append a list of such notes for the information of the directors.

4. *Deposits.*—There were fixed deposits from members and non-members to an amount of Rs. 3,675 and on recurring deposits there was a collection of Rs. 41, as current deposit Rs. 10 and as security deposit Rs. 100. The account worked only for less than three months. Hence the amount obtained under these heads is small. It is hoped that more deposits will be had during the current year. There were no other borrowings.

5. *Loans to members.*—The directors and the officers have been very careful in making investigations as to loan applications, but I should like to put forward the following suggestions in regard to lending:

(a) A sum of Rs. 25,100 has been loaned on the security of immovable property while only Rs. 1,145 has been lent on security loans. Large amounts up to Rs. 2,000 have been lent. Hence loans have not been repaid up to Rs. 15,145.

The directors may also consider the desirability of charging 8 per cent. on all loans instead of 7½ per cent. on loans for sums above Rs. 1,000.

A further provision of the loan given was for repayment of debts and the discharged bonds were obtained and filed in the bank.

6. The bank worked at a net profit of Rs. 324-7-7½, a fairly good result for three months at the commencement. The accounts are fairly well maintained. I suggest the following:—

(1) Separate account should be maintained for Rs. 100 share capital and Rs. 25 share capital.  
(2) When a member is newly admitted with the necessary objects of obtaining credit from the bank it is better, his necessary expenditures should be explained into and recorded in the books of the bank so that it may be ascertained when members stand as surety or apply for a loan.

(3) A ledger should be maintained, showing all the transactions of each individual either as borrower or as surety. I append the requisite forms.

A. VEDARATHNAM,  
Special Deputy Collector, Madras.

AMOUNT ORDER BY HARRY EDWARD RAMADON L. D. SWANICKANNU PILLAI  
ATKINS, M.A., M.L.A., MANAGER OF CO-OPERATIVE SOCIETIES, MADRAS

The accounts of the Madras City Co-operative Bank, Limited, No. 200, for the co-operative year ending 31st June 1912 have been audited in detail by the Hon'ble Deputy Comptroller, C.B. & P. & Voluntary Audit Agency, M.A. The usual three statements (i) Expenditure and Disbursements, (ii) Profit and Loss and (iii) the Assets and Liabilities as they stood on 31st June 1912 have been furnished by him.

5. The bank was registered on the 15th March, 1912 and started on its work on the 8th April 1912. The bank then worked for a short period of three months only during the year under review. It found during the period a net profit of Rs. 214 3-5. Under by-law 12 the net profit should be divided as follows:-

- (1) to the reserve fund, one-fourth or Rs. 53-6-0;
- (2) to the Reserve at Bangalore, one-eighth or Rs. 26-8-0;
- (3) to the common good fund, one-eighth or Rs. 26-8-0;
- (4) to members as dividend on share capital, the remainder or Rs. 107-0-10. Any amount not spent or dividend should go to reserve fund.

Under section 24 of Act II of 1912, an amount amounting 14 per cent. of the net profit shall be added to the common good fund. The bank therefore may only Rs. 53-6-0 to the common good fund. The balance Rs. 153-0-0 will have to be spent otherwise. The Magistrate suggests that it may be added to the reserve fund.

6. The bank is requested to remit Rs. 75-0-12 to the Madras Central Urban Bank, Limited, for being credited therein to the credit of the reserve fund.

7. Considering the short period for which the bank worked and also the fact that the net profit consisted mostly of interest from real estate, the bank will be well advised if it accords dividend the interest amount available for distribution as hereinafter and dividend to next year.

8. The bank is referred to consider what changes either in the by-laws or in the general mode of working are rendered necessary in view of the experience already gained. Share membership fees are well probably be fixed later on the long run than large loans on the security of immovable property or loans on the deposit of valuable. For a safe return to the Presidency Bank, the Bank has done exceedingly well so far and it is to be hoped that the Magistrate considering as it does of persons who have had extensive experience of other banking institutions in the city will be able to build up a safe business on reciprocal lines.

Office of the Magistrate of Co-operative Credit  
Society, Changan, Madras.  
1st September 1912.

L. D. SWANKESSU,  
Magistrate.
